Tivo Apps For Mac

Watch live or recorded TV via your TiVo, find shows and schedule recordings and browse content via the guide, by genre or category, explore the cast and crew, and even see where the content is available whether it be through cable TV, Netflix, Hulu Plus™, YouTube, Amazon Instant Video, through VOD in certain markets and more.. TiVo Roamio Plus and TiVo Roamio Pro users can seamlessly stream live or recorded programming to their iOS devices from anywhere there is a WiFi signal.. What to Watch Now: no matter where you are, TiVo's second screen dashboard provides instantaneous personalized recommendations the second you pull up your TiVo app, providing you with available content options to watch now, in the next 30 minutes, or tonight.. This feature allows you to categorize by content that is on TV now, starting within the next 30 minutes, or on later tonight.. Restart your TiVo DVR by following the instructions in the TiVo menus under Settings Messages Help Restart or Reset System Restart the TiVo Box.. Tivo Apps Download Shows ToTivo Apps Download Recordings WhileTivo Apps Download Shows ToWhat to Watch Now combines real-time viewing data, recommendations and personal preferences to create a custom dashboard presenting the exact content you want most every time you sit down to watch TV.. Search across TV, Netflix, Amazon Instant Video Hulu Plus - and get integrated results on what you're looking for.. Out-of-home and in-home downloading: download your content to enjoy anywhere so that low bandwidth or lack of a Wi-Fi connection never slows you down.. The TiVo app also allows you to watch content from your favorite Social Media feeds like Facebook and YouTube from the What to Watch Now screen.

TiVo Stream users can stream live or recorded content to iOS devices within their home network and download shows to go.. Categories include: Popular on TV, Sports on Now, Powered by Thuuz, Movies on TV, Kids, Favorite Channels, Viewers recorded TV, Shared by Friends, Popular on YouTube, and My YouTube Channels.. Use a TiVo remote control replica or our intuitive, gesture-based remote control.. Mobile Search discovery: figure out what's on whether you're in the office or a hotel and enjoy the same browsing tools you have with your TiVo at home (including the TiVo editorial Collections and show, cast and actor information).. Remote scheduling: browse and view the programming guide, manage recordings, check your To-Do List or set a Season Pass any time - no matter where you are.. Tivo Apps Download Recordings WhileDownload recordings while at home or away via WiFi or cellular to watch when you have no connection.. Features of the TiVo app (some features are only available to TiVo Premiere or TiVo Roamio DVR customers): Out-of-home in-home streaming: watch your live or recorded shows remotely anywhere you have Wi-Fi.
